Agasanahalli toll gate- opening of a sub-gate to-

Sir,

In forwarding herewith a file of vernacular papers ~~from~~ received from the Deputy Commissioner, Shimoga, with his letter No.A2.C.2371-6ø/37-38 dated 29th April 1939, recommending the opening of a sub-toll gate at Toravanda, on the grounds that the carts, coming from British India, cross Mavinhole and pass through Toravanda village evading payment of tolls at the main gate of Agasanahalli, I have the honour to state that it is reported that the villagers of Toravanda have objected to the location of the sub-gate at the place on the ground that it will cause them unnecessary trouble. The Sub Division Officer who has inspected the spot during the Huzur Jamabandy considers their objection as untenable. The Deputy Commissioner in these circumstances recommends the opening of a sub-toll gate at Toravanda in the interests of the Toll revenue.

I agree with the Deputy Commissioner and recommend that sanction may be accorded for opening a sub-toll gate at Toravanda as ~~recommend~~ recommended by him.

I have the honour to be,
Sir,
Your most obedient servant,

Revenue Commissioner.
